**“Okay If”**

**Mehak Dharmat**

India, Jammu

Okay ! If..

I be impure for you in a long run

I may bleed for 5 days in a month

Who gave you the right

To do nothing but all time fight

All against my future so bright

I may appear to you as lean

Let me tell you that's rude Mr Mean!

Okay.! If

I may not be permitted to enter a temple

Whom do you worship inside that temple

You took my independence

By lowering your intentions

Oh here! I just saw something down on the ground

No,not my legs but your morals you self proclaimed man

Okay..! If..

I want to roam in cities at night  
Does that wish give you the right  
Right to stare,glare,flare on me from distance  
Get that thing clear I'm not your mistress  
Next time you'll be visible  
Make your humanity nurture  
And suppress your Devil  
Or you may not even know when did the  
Goddess turned into Evil!
