### “The Interlude”

Let's just stay here,  
for a bit, for a while near.  
Tomorrow it's going to be another day,  
us walking and fighting to make our way.

Let's just breath in the fresh air,  
feel the gentle breeze in our hair.  
Tomorrow it's going to be a breathless sprint,  
to prove our worth at some worthless stint.

Let's just listen to the nature sing,  
and dance as if nobody is watching.  
Tomorrow it's going to be our inner/ another voice,  
Castigating us to run without any choice.

Let's just stay here,  
and peacefully wait together,  
for the tomorrow to never come,  
and think what life has become.
