### Woodland meets Derecho!

Kerensa Vijay Rumao  
Mumbai

As the buildings stand still,  
these guys make the dangerous moves.  
With the spine chilling breeze,  
and the mega drops of water right from high above.

When the city sounds sleep,  
the jungle voices rise.  
From deep beneath they strike,  
every single note they spike.

When the man-made creations calm,  
the nature fears mind.  
It affects so strong,  
straight bullying the kind.

When the urbs soothe,  
the forests boost.  
The anger and craze,  
just waiting for the gaze.

Every ones welcomed,  
with a cheery warm.  
The farewells await,  
with the clashing storm.
